Classic style shower rose perfect for a traditional or cottage style bathroom.

Elegantly styled for the classic bathroom and designed to make the most of your water flow. Particularly efficient with very low pressure systems (less than 2m head).

All Topliss shower heads feature solid brass internal construction for maximum longevity and performance. Designed and manufactured in New Zealand.

Available in bright chrome, or white and gold, chrome and gold combinations.

Product Features

- Solid Brass internal construction
- Suitable for low pressure (header tank) systems
- Suitable for high pressure systems
- Water saver
